

Naples Winter Wine Festival

SILVER ANNIVERSARY

25 YEARS

three days

of the very best in
wine, food and fellowship;

year-round impact for children in need

The Naples Children & Education Foundation (NCEF) was established in 2000 by a group of like-minded philanthropists with a simple but lofty goal: making a profound and sustaining difference in the lives of children in Collier County. The founders created the Naples Winter Wine Festival in order to meet NCEF's mission statement to support programs that improve the physical, emotional and educational lives of underprivileged and at-risk children.

Twenty-five years later, the Festival has become the most successful charity wine event in the world. Thanks to the tireless dedication of the Trustees and the generosity of donors and patrons, the event has raised almost \$302 million which through annual grants and collaborative strategic initiatives have impacted close to 90 non-profit agencies and the lives of over 300,000 children.

Along the way, the Festival has become a magnet for celebrity chefs as well as world-renowned wine estates around the globe. This tradition will be continued at the 2025 Naples Winter Wine Festival, which promises to offer a weekend of unforgettable memories, beginning with Meet the Kids Day where patrons witness first-hand the life-changing impact of the Festival. The morning culminates in a heartfelt presentation followed by a delicious luncheon and exquisite wines. Excitement builds as guests spend an exclusive, up-close-and-personal evening with world-renowned vintners and celebrity chefs in magnificent private homes and settings, where they will savor

incomparable cuisine and award-winning, cult classic wines.

They will then step onto the sun-soaked grand lawn of The Ritz-Carlton Naples, Tiburón for a heart-pounding live auction, to bid on rare collections of some of the world's most sought-after wines, exotic travel adventures, limited edition cars and unique experiences. The Naples Winter Wine Festival offers a weekend that's truly one-of-a-kind.

And the best part? It's ALL for the Kids!

This unique approach has become a blueprint on how to transform a community, one issue at a time. We invite you to join us for an unforgettable experience that will change the lives of our neediest children.
